**Emmy Award
Winning
Storyteller**

**With Drummer
Kenya Ajanaku**

This exciting program, which played to standing ovations at the Smithsonian Institution, takes you on a journey to Africa through folktales and music.

Bobby explores the songs and oral traditions of its peoples while Kenya provides a rhythmic musical setting and shares his extensive knowledge of native instruments.

Discover African culture through dynamic story-theater, unique musical instruments, traditional clothing and dance. Audience participation enhances this popular program.
