BOBBY NORFOLK!

Perfect for
Young Authors
Conferences or
Seuss Week!

Using selections from his favorite authors, Bobby makes poetry exciting and fun for younger kids.

He turns traditional stories such as Little Red Riding Hood and The Three Billy's Goat's Gruff into finger-snapping, toe-tapping verse by transforming them into comical and creative raps, filled with zany vocal effects, lively animation, and tons of humor.

On request, Bobby can perform "readers theater" presentations of select Seuss stories, including *Horton Hatches the Egg* and *The Big Brag*.

Alternatively, Bobby, a published children's author with five award-winning books, can bring to life excerpts from his own work. (This is your opportunity to bring in your own real life author!)

This program is ideal for grades K-6, and covers the Missouri Grade Level Expectations for language arts and literature. Bobby also offers a program for older students (Rap, Poetry and Prose) that includes classics from the Harlem Renaissance. Call Jan for information.
