**ROCK the HOUSE with  
RHYTHM and SOUL**

from Emmy winning artist  
**BOBBY NORFOLK!**

Using selections from favorite authors (including, possibly, Dr. Seuss, Shel Silverstein, and Jack Prelutsky), Bobby makes poetry exciting and fun for the younger kids using zany vocal effects, lively animation, and loads of humor. With comical and creative rap, he turns traditional stories such as Little Red Riding Hood and The Three Billy's Goat's Gruff into finger-snapping, toe-tapping verse.

With prior arrangement, Bobby can perform pieces of your choice, such as Seuss favorites Horton Hatches the Egg, The Big Brag, or Yertle the Turtle. Alternatively, Bobby, a published children's author with five award-winning books, can bring to life excerpts from his own work. (This is your opportunity to bring in your own real life author!)

This program is ideal for grades K-6, and covers the Missouri Grade Level Expectations for language arts and literature. Bobby also offers a program for older students (Rap, Poetry and Prose) that includes classics from the Harlem Renaissance. Call Jan for information.
